**FINANCE (SMPC) DEPARTMENT**

**G.O.Ms.No. 251**

**Dated: 26.08.2008.**

Read the following:-

1. I & CAD Department, U.O.No. 4799/Ser.II(1)/2008, Dt: 20.08.2008.

**oOo**

**ORDER:**

The Irrigation & Command Area Development Department have stated that during the years 1994 – 95 to 2003 – 04 Government have spent Rs. 10,393 crores in the 10 year period and created a new Irrigation Potential of 10.60 Lakhs acres. Now under Jalayagnam works about 355 packages are grounded for 74 Major and Medium Irrigation Projects for an amount of Rs. 55,000 crores and that Land Acquisition and R & R and other items are over and above the cost. The tenders for Pranahita Chevella Dummugudem to Nagarjunasagar Tail pond and Modernisation of Delta (Balance works and others) for an amount of about Rs. 30,000 crores are also under process. So far 14.26 lakh acres of new Irrigation Potential has been created in all the three regions during 2004 – 05 to 2007 – 08 (4 years period) and it is further planned to created new Irrigation Potential of 16.18 lakh acres, besides stabilization of 15.17 lakh acres during the year 2008 – 09 and that 74 projects are slated for completion during the year 2008 – 09 and 2009 – 2010. There is also a phenomenal increase in the budget allocation for irrigation projects in the last 4 years.

2. The Government aims to complete the ongoing and contemplated projects in the next 1 to 5 years to create an ultimate new Irrigation Potential of 100 lakh acres by spending Rs. 1,25,000 crores. All the works are taken up with the existing staffing pattern of prior to Jalayagnam (i.e. prior to 2004 – 05) and as a result there is tremendous work load on the existing Chief Engineers. Unless additional Chief Engineer posts in the department are created to tackle the above projects in a time bound manner, the targets would not be achieved. Therefore, the Irrigation & CAD Department, has proposed to create the following eight posts of Chief Engineers:

1. Chief Engineer, A.P. Engineering Research Labs, Himayatsagar.
2. Chief Engineer, Command Area Development Authority.
3. Chief Engineer, Central Water Commission Clearances & AIBP assistance.
4. Chief Engineer, Modernization.
5. Chief Engineer, Human Resources Development.
6. Chief Engineer, Chief Technical Examiner
7. Chief Engineer, Flood Banks.
8. Chief Engineer, Rajiv Sagar Indira Sagar Lift Irrigation Schemes, Dummugudem – N.S. Tail Pond.

(P.T.O.)

3. Government after careful examination of the proposal hereby create the following eight posts of Chief Engineers in the scale of Rs.23500 – 30765 in Irrigation & CAD Department, in the State.

1. Chief Engineer, A.P. Engineering Research Labs, Himayatsagar.
2. Chief Engineer, Command Area Development Authority.
3. Chief Engineer, Central Water Commission Clearances & AIBP assistance.
4. Chief Engineer, Modernization.
5. Chief Engineer, Human Resources Development.
6. Chief Engineer, Chief Technical Examiner.
7. Chief Engineer, Flood Banks.
8. Chief Engineer, Rajiv Sagar Indira Sagar Lift Irrigation Schemes & Dummugudem – N.S. Tail Pond.

4. The Irrigation & CAD Department shall take further necessary action accordingly.

5. Copy of this order is available on Internet and can be accessed at address "<http://www.ap.gov.in/goir>".

**(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)**
